 - E- Back-paper Examination
- A 51(C)
- A-Regular Students**
- 3.1 Every regular student, either in the University Departments, or in the affiliated colleges, seeking admission to University Examinations for the first time, for a degree, shall, unless provided otherwise under any of the Ordinances, be enrolled as a member of the University, before being permitted to appear at an University Examination, prescribed for such a degree.
- 3.2 No candidate who wishes to join a course prescribed for a degree of the University, shall be admitted to a teaching department of the University or of an affiliated college unless he/she has passed the qualifying examination, recognised by this University, needed for admission to the desired course of study.
- 3.3 The expression 'a regular course of study' wherever it is used in these Ordinances, means sufficiently required attendance at lectures (including Tutorials and Seminars, if any) and practicals (such as work in a Laboratory or workshop or in field) and the completion of the sessional work and the projects, field study etc. in the University or in any college.
- 3.4 Where there are two or more examinations for any degree, such as a part I, II or Previous and a part III or final examination a candidate for the degree must offer the course(s) on the same subject(s) in the successive examination(s) as he/she takes in the preceding examination(s).
- 3.5 No candidate shall be allowed to appear in

more than one Degree examination or in more than one subject for the Master's Degree (Previous or Final) in one and the same year.

3.6 Only those students who have passed the previous Examination of this University in a subject for a postgraduate degree shall be admitted to the Final class in the same subject for the Master's Degree.

3.7 The number of lectures to be delivered in a University Department/affiliated college for an examination for a postgraduate degree shall be as prescribed by Board of Studies.

3.8 Every regular student of the University Department or of an affiliated college for the University Examination, shall submit, by December 15 of the year preceding the year of the examination, an application to the Head of the Department or the Principal of his/her college concerned who, after satisfying himself that conditions laid down by the University for the purpose have been fulfilled, shall forward the same so as to reach the Registrar by December 20.

In case the application forms of the regular students of the affiliated college, appearing at the University Examinations, are not received by the Registrar by the 20th of December the defaulting college shall pay a penalty as decided by the University upto the 31st of December. No application form will be accepted after December 31 unless the Vice Chancellor decides otherwise in special circumstances .

3.9 Every regular student either of the University or of an affiliated college preparing for an examination shall, by December 15 of the year preceding the year of the examination :

- (i) pay to the university the prescribed fee for such an examination;
- (ii) intimate in his/her application the subject or subjects in which he/she desires to present himself/herself for the examination; and
- (iii) alongwith his application, furnish to the Registrar a certificate from the Head of the Department/Principal of the college concerned

certifying that he/she has fulfilled all the conditions laid down by the University and is of good character.

3.10 The schedule of the University Examination Fees chargeable from the regular students of the University/college shall be as described in chapter XVII and may be modified by the University/Govt. from time to time.

3.11 No regular student shall be allowed to appear in the University Examination unless he/she has attended at least 75 percent of the lectures and of the practicals in each subject during the course of instruction for the examination. Attendance at lectures includes attendance at tutorials and seminars during an academic session or work in the laboratory, the workshop and the field. A student is also required to complete his/her project work if it is prescribed in the course.

Provided that, for special reasons, a shortage of percentage not exceeding 15 percent of the total number of lectures delivered or practical work done in each subject, may be condoned as given below.

- (i) A shortage upto 5% of the total number of lectures delivered or practical work done in each subject may be condoned by the Dean/ Head or Principal.
- (ii) A further shortage upto 10% may be condoned by the Vice Chancellor on the specific recommendation of the Dean/Head/ Principal.

3.12 (a) For the purpose of the aforesaid ordinance not more than two lectures in the same subject, except in the case of post graduate classes, shall be counted on any one day, provided that the attendance at any lectures delivered or practicals held within 15 days preceding the first day of the University examination, shall not count towards the required percentage.

(b) For the purpose of ordinance number of attendances by a cadet at N.C.C. camp during the academic session shall be deemed as attendance at the University or the college for

- (c) these days, provided they are the working days of the University or of the college concerned. Also, for the purpose of the aforesaid ordinance 3.11 students who have been absent from their classes while representing the University or the State at Tournaments and/or Meets, or while representing the University and/or the college concerned at the youth festivals organised by the Government of India or the State Government of while participating in the University zonal and/or Interzonal sports, will be deemed as present in the college for the period of their absence on this account, provided that such absence does not exceed 20 working days in the academic session or 10% of the total attendance required, whichever is more.
- (d) Attendance at lectures and practicals, referred in the ordinance, shall entitle a candidate to appear at a University examination at the end of the academic session in which he/she completed such a course of study. If a candidate does not then appear at the examination he/she shall not be permitted to appear at a subsequent examination as a regular student, unless, during the subsequent academic year, at the end of which such an examination is held, he/she has completed a further regular course of study for the examination.
- 3.13 If a candidate is detained due to shortage of attendance, he/she shall be admitted to a subsequent examination only when he/she completes a further regular course of study at the end of which such an examination is held.
- 3.14 The Head/Principal concerned shall detain the admission card of all students who have failed to put in the required attendance, and forward all the detained admission cards to the Registrar alongwith the statement of the shortage in attendance so as to reach him within three days after the lecture and the practicals have stopped. (All lectures and practicals are to be

stopped at least 15 days before the commencement of the University Examinations).

In the cases, where, the shortage of attendance is within the condonable limit, students may be allowed to appear at the examination provisionally, pending the final decision.

3.15

The attendance of the candidates appearing at the University examinations as regular students shall be counted for the whole of the academic session, from the date of commencement of the session.

3.16

A student who has been expelled or rusticated from any University incorporated by any law for the time being in force or from any college or institute affiliated to such a University, shall not be eligible for admission to any examination in this University or in any of its affiliated colleges till his/her period of expulsion or rustication has expired and, where such a candidate has got admission by fraudulent means or by concealment of the fact of expulsion or rustication or even by an error of the University or the affiliated college, he/she shall be expelled at whatever stage, the fact is discovered; and if he/she has, in the meantime, appeared at or passed any examination or part of an examination, the same shall be cancelled.

3.17

Notwithstanding anything contained in the foregoing ordinances, the Head of the Department/Principal of an affiliated college may detain a student from taking the University examination or recommend to the Registrar, if he/she has already appeared at the examination, for withholding the result of a student who has not paid the outstanding dues of the college, including the Hostel and Mess dues if applicable, or has failed to return to the college or pay the cost of any of the articles issued to him for taking part in Games, Sports, N.C.C. library and laboratory etc..

and produced by him/her before the Superintendent of the Centre of the Examination.

A candidate may not be admitted to the examination hall unless he/she produces before the Superintendent or Invigilator concerned his/her examination admission card.

No candidate shall, under any circumstances, be allowed to change paper of subject as filled in his/her examination form for any examination of the University, except with the prior permission of the Vice-Chancellor.

The Superintendent of an examination centre may, however, if he is satisfied that the examination admission card of a candidate has been lost or destroyed, grant him/her on payment of a further fee of Rs. 10 duplicate Examination Admission Card. The card so granted shall show the number and date of the card originally granted. The Superintendent shall forward to the Registrar all such cases alongwith the fee collected.

Even if a candidate had been permitted to appear at a University Examination, the permission granted to him/her may be withdrawn for conduct which justifies his/her exclusion from the examination.

In the examination Hall every candidate shall be under the disciplinary control of the Superintendent of the centre and he/she shall obey his/her instructions. In the event of a candidate's disobeying the instructions of the Superintendent or his insolent behaviour towards the Superintendent or any of the Invigilators, or refusing to give the search of his/her person by an official deputed for that purpose, the candidate may be excluded from the day's examination by the Superintendent of the centre and if he persists in his/her misbehaviour, he/she may be excluded from the rest of the examination by the Superintendent of the Centre.

In all such cases a full report of each case shall be sent to the Registrar of the University who shall place the matter before the Examination Committee for its consideration. The Examination Committee may, according to the gravity of the offence,

further punish, a candidate by cancelling his/her examination and/or debarring him/her from appearing at any examination of the University for one year or more. If a candidate is found guilty of using or attempting to use of the examination unfair means such as copying from some books or notes or from the answers of another candidate or in any manner such as using some sign mark anywhere in the answer book, not relevant to the answer of any of the questions which may disclose to the examiner the identity of the candidate, the Examination Committee may cancel the examination of the candidate and may, according to the nature and the gravity of the offence further debar him/her from appearing at any of the examinations of the University for one year or more.

Provided that when the Examination Committee intends to award any of the penalties mentioned in this ordinance, it shall give an opportunity to the candidate concerned to show cause in writing, within fifteen days from the day on which the notice (which should always be a registered letter) is served on him/her as to why the proposed penalty may not be imposed on him/her. The Examination Committee shall consider the explanation, if any, if filed by the candidate within the specified time, before awarding any penalty.

3.37

The Examination Committee may also cancel the examination of a candidate and/or may give him/her such other punishment as it may deem proper to a candidate,

- (i) Who is found, during the examination, guilty of the breach of any of the rules laid down by the University from time to time, which act may or may not actually amount to using unfair means; or
- (ii) Who commits an act of indiscipline or misbehaviour inside or outside the examination hall towards an official engaged in performing duties like those of superintendent/invigilator act in connection with the conduct of the University examinations or towards such other officials as are deputed by the University for

the purpose of searching the person of a candidate or of taking action against a candidate who is suspected of using or intending to use any kind of unfair means of an examination; or

- (iii) who is found impersonating a candidate in the examination, or who is found resorting to any kind of nefarious activity inside or outside the University/college precincts. In case the person so impersonating a candidate is not a student of the University or a college affiliated to the University, the Superintendent of the examination centre concerned may hand him/her over to the police for necessaria action, or
- (iv) who is found during or even after the examination to have been responsible or instrumental in any manner in the tampering of the University records including the Answer books, Mark Sheets, Result Charts, Diplomas, Certificates and the like.

Provided that when the Examination Committee proposes to award any of the penalties mentioned in this Ordinance, it shall give an opportunity to the candidate concerned to show cause in writing, within fifteen days from the date on which the registered notice is served to him, and shall consider the explanation if any if filed within the specified time before awarding any punishment.

3.38

The Examination Committee may cancel the examination of a candidate and/or debar him/her from appearing at an examination of the University for one or more years, if it is discovered during the examination or even afterwards that the candidate was not eligible to appear at the examination by reason of his/her having misrepresented facts of having submitted false certificates of forged documents :

Provided that no such action shall be taken until the candidate has been given a reasonable opportunity of showing cause against the action proposed.

3.39

The Examination Committee may delegate its powers to the Vice-Chancellor to deal with cases

- covered under the Ordinances 3.36 to 3.38.
- 3.40 A candidate whose re-examination has been cancelled or who has been debarred from appearing at an examination for using or attempting to use unfair means, shall not be admitted in the same college or in any other in the same district.
- Provided that if the candidate's previous antecedents and subsequent behaviour have been satisfactory, the Vice Chancellor may relax the restriction in the matter of his/her admission in any other college in the same district.
- 3.41 A candidate must earn the Bachelor degree in four years and the Master Degree in three years from the date of his/her enrolment for the degree concerned unless specially permitted by the Vice-Chancellor to continue to appear at the examination either as a regular student or as a private candidate.
- 3.42 Duplicate copy of a University certificate or diploma shall be granted by the Registrar only when he is satisfied, on the production of an affidavit duly sworn before a Notary of a First class Magistrate, on bearing stamps of proper value required by law for the time being in force, that the applicant has lost his/her certificate or diploma, that it has been destroyed. In such a case, the duplicate of a certificate or diploma, shall be granted on payment of the prescribed fee.
- 3.43 A candidate, on payment of prescribed fee can get his/her name changed in the University certificate/diploma if he/she has got his/her name changed in the certificate for passing the Intermediate Examination.
- 3.44 The English version of a certificate/diploma may be granted to a candidate on payment of a prescribed fee after he has obtained the original certificate or diploma.
- 3.45 After the declaration of the result and before the date of the next convocation a candidate may apply to the Registrar for a provisional certificate for having passed an examination of the University. Such an application shall be accompanied by a prescribed fee.
- 3.46 Duplicate copies of the following documents/certificates shall be granted on payment of the fee

prescribed for the purpose.

- (i) Certified copy of marks.
- (ii) Provisional certificate of having passed an examination.
- (iii) Migration certificate.

Provided that the duplicate copy of the Migration Certificates shall not be granted except in a case in which the Registrar is satisfied, on the production of an affidavit by the applicant on a duly stamped paper of proper value required by law for the time being in force, that the applicant has not utilised the original migration certificate for appearing at an examination, or that he lost the same, or that same has been destroyed, and the applicant has a real need for a duplicate copy.

- (iv) A competitive entrance examination is absolutely necessary in the cases of institutions of all India character:
- (v) Procedure for selection to MBBS course shall be as follows :
 - (i) In case of admission on the basis of qualifying examination under clause (1) based on merit, candidate for admission to MBBS course must have passed in the subjects of Physics, Chemistry, Biology & English individually and must have obtained a minimum of 50% marks taken together in Physics, Chemistry, and Biology at the qualifying examination. In respect of candidates belonging to Scheduled Castes, Scheduled Tribes or Other

Backward Classes, the marks obtained in Physics, Chemistry and Biology taken together in qualifying examination be 40% instead of 50% as above.

- (ii) In case of admission on the basis of competitive entrance examination, a candidate must have passed in the subjects of Physics, Chemistry, Biology and English individually and must have obtained a minimum of 50% marks taken together in Physics, Chemistry and Biology at the qualifying examination in addition must have come in the merit list prepared as result of such competitive entrance examination by securing not less than 50% marks in Physics, Chemistry and Biology taken together in the competitive examination. In respect of candidate belonging to Schedule Castes, Scheduled Tribes or other Backward Classes the marks obtained in Physics, Chemistry and Biology taken together in qualifying examination and competitive entrance examination be 40% instead of 50% as stated above.

Provided that a candidate who has appeared in the qualifying examination the result of which has not been declared, he may be provisionally permitted to take up the competitive entrance examination and in case of admission to the MBBS course, he shall not be admitted to that course until he fulfils the eligibility criteria under.

20.3 MIGRATION :

- (i) Migration from one medical college to other is not a right of a student. However, migration of students from one medical college to another medical college in India may be considered by the Medical Council of India only in exceptional cases on extreme compassionate grounds*, provided following criteria are fulfilled. Routine migrations on other grounds shall not be allowed.
- (ii) Both of the colleges, i.e. one at which the student is studying at present and one to which migration is sought, are recognised by the Medical Council of India.
- (iii) The applicant / candidate should have passed first professional MBBS examination.
- (iv) The applicant / candidate submits his application for migration, complete in all respects, to all authorities concerned within a period of one month of passing (declaration of results) the first professional Bachelor of Medicine and Bachelor of Surgery (MBBS) examination.
- (v) The applicant/candidate must submit an affidavit stating that he/

she will pursue 18 months of prescribed study before appearing at IIInd professional Bachelor of medicine and Bachelor of Surgery (MBBS) examination at the transferee medical college, which should be duly certified by the Registrar of the concerned University in which he/she is seeking transfer. The transfer will be applicable only after receipt of the affidavit.

Note :1

- (i) Migration during clinical course of study shall not be allowed on any ground.
- (ii) All applications for migration shall be referred to Medical Council of India by college authorities. No institution/ University shall allow migrations directly without the approval of the council.
- (iii) Council reserves the right, not to entertain any application which is not under the prescribed compassionate grounds and also to take independent decisions where applicant has been allowed to migrate without referring the same to the council.

Note :2 Migration may be allowed in following cases:

- (i) Death of a supporting guardian.
- (ii) Illness of the candidate causing disability
- (iii) Disturbed conditions as declared by Government in the Medical College area.

20.4 Training Period and Time Distribution.

- (i) Every student shall undergo a period of certified study extending over 4 1/2 academic years divided into 9 semesters, (i.e. of 6 months each) from the date of commencement of his/her study for the subjects comprising the medical curriculum to the date of completion of examination and followed by one year compulsory rotating internship. Each semester will consist of approximately 120 teaching days of 8 hours each college working time, including one hour of lunch.
- (ii) The period of 4 1/2 year is divided into three phases as follows :
- (a) Phase-1** (two semesters) - consisting of Pre-clinical subjects (Human Anatomy, Physiology including Bio-Physics, Bio-chemistry and introduction to Community Medicine including Humanities). Besides 60 hours for introduction to Community Medicine Including Humanities, rest of the time shall be somewhat equally divided between Anatomy and Physiology plus Biochemistry combined (Physiology 2/3 and Biochemistry 1/3)
- (b) Phase-2** (3 semesters) - consisting of para - clinical/clinical subjects.

During this phase teaching of para-clinical and clinical subjects shall be done concurrently.

The para-clinical subjects shall consist of Pathology, Pharmacology, Microbiology, Forensic Medicine including Toxicology and part of Community Medicine.

The clinical subjects shall consist of all those detailed below in Phase III

Out of the time for Para-clinical teaching approximately equal time be allotted to Pathology, Pharmacology, Microbiology and Forensic Medicine and Community Medicine combined (1/3 Forensic Medicine and 2/3 Community Medicine). See Appendix-C

(c) Phase-3 (Continuation of study of clinical subjects for seven semesters after passing Phase-I)

The clinical subjects to be taught during Phase II and III are Medicine and its allied specialities, Surgery and its allied specialities, Obstetrics and Gynaecology and Community Medicine.

Besides clinical posting as per schedule mentioned herewith, rest of the teaching hours be divided for didactic lectures, demonstrations, seminars, group discussions, etc. in various subjects. The time distribution shall be as per Appendix-C

The Medicine and its allied specialities training will include General Medicine, Paediatrics, Tuberculosis and Chest, Skin and Sexually Transmitted Diseases, Psychiatry, Radio-Diagnosis, Infectious diseases etc. The Surgery and its allied specialities training will include General Surgery, Orthopaedic Surgery including Physio-therapy and Rehabilitation, Ophthalmology, Otorhinolaryngology, Anaesthesia, Dentistry, Radio-Therapy etc. The Obstetrics & Gynaecology training will include family medicine, family welfare planning etc. a broader understanding of the perspectives of medical education leading to delivery of health care. No student shall be permitted to join the Phase-II (Pre-clinical) subjects for which he will be permitted not more than four chances (actual examination), provided four chances are completed in three years from the date of enrollment.

(iv) After passing pre-clinical subjects, 1 1/2 year (3 semesters shall be devoted to para-clinical subjects.

Phase I will be devoted to para-clinical and clinical subjects, along with clinical postings. During clinical phase (Phase III) pre-clinical and paraclinical teaching will be integrated into the teaching of clinical subjects where relevant.

- (v) Didactic lectures should not exceed one third of the time schedule; two third schedule should include practicals, clinicals or/and group discussions. Learning process should include living experiences, problem oriented approach, case studies and community health care activities.
- (vi) Universities shall organize admission timings and admission process in such a way that teaching in first semester starts by 1st of August each year.
- (vii) Supplementary examination may be conducted within 6 months so that the students who pass can join the main batch and the failed students will have to appear in the subsequent year.

20.5 Phases distribution and Timing of Examinations :

6 Months	6 Month	6 Months	
1	2		Ist professional examination (during second semester)
3	4	5	IIst professional examination (during fifth semester)
6	7		IIIst professional Part I (during 7th semester)
8	9		IIIrd professional Part II (Final Professional) during 9th Semester)

Note :- (a) Passing in Ist Professional is compulsory before proceeding to Phase II training.

(b) A student who fails in the IIst professional examination, shall not be allowed to appear in IIIrd Professional Part I examination unless he passes all subjects of IIst professional examination.

(c) Passing in IIIrd Professional (Part II) examination is not compulsory, before entering for 8th and 9th semester training, however passing of IIIrd Professional (Part I) is compulsory for being eligible for IIIrd Professional (Part II) examination.

During third to ninth semesters, clinical posting of three hours duration daily as specified in the Table below is suggested for various departments, after Introductory Course in Clinical Methods in Medicine and Surgery of two weeks each for the whole class.

Clinical methods in Medicine and Surgery for whole class will be for 2 weeks each respectively at the start of 3rd semester.

This posting includes training in Radiodiagnosis and Radiotherapy where existant.

This posting includes exposure to laboratory medicine and infectious diseases.

This posting includes exposure to dressing and Anesthesia.

This includes maternity training and Family medicine and the 3rd semester posting shall be in Family Welfare Planning.

20.6 EXAMINATION REGULATIONS

Essentialities for qualifying to appear in professional examinations.

The performance in essential components of training are to be assessed, based on:

20.7 ATTENDANCE :

75% of attendance in a subject for appearing in the examination is compulsory provided he/she has 80% attendance in non lecture teaching. i.e. seminars, group discussions, tutorials, demonstrations, practicals, Hospital (Tertiary, Secondary, Primary) posting and bed side clinics, etc.

20.8 INTERNAL ASSESSMENT

- It shall be based on day to-day assessment (see note), evaluation of student assignment, preparation for seminar, clinical case presentation etc.
- Regular periodical examinations shall be conducted throughout the course. the question of number of examination is left to the institution.
- Day to day records should be given importance during internal assessment.
- Weightage for the internal assessment shall be 20% of the total marks in each subject.
- Student must secure at least 50% marks of the total marks fixes for interanl assessment in a particular subject in order to be eligible to appear in final university examination of that subject.

Note :

Internal assessment shall relate to different ways in which students participation in learning during semesters is evaluated some examples are as follows :

- Preparation of subject for students seminar.
- Preparation of a clinical case for discussion.
- Clinical case study/problem solving exercise.
- Participation in Project for health care in the community (Planning stage to evaluation)
- Proficiency in carrying out a practical or a skill in small research project.
- Multiple choice question (MCQ) test after completion of a system/teaching.

Each item tested shall be objectively assessed and recorded. Some of the items can be assigned as Home work/Vacation work.

20.9 UNIVERSITY EXAMINATIONS :

Theory papers will be prepared by the examiners as prescribed Nature of questions will be short answer type/objective type and marks

डॉ. राममनोहर लोहिया अवध विश्वविद्यालय, फैजाबाद

for each part indicated separately.

Practicals/clinicals will be conducted in the laboratories or hospital wards. Objective will be to assess proficiency in skills conduct of experiment, interpretation of data and logical conclusion. Clinical cases should preferably include common diseases not esoteric syndromes or rare disorders. Emphasis should be on candidate's capability in eliciting physical signs and their interpretation.

Viva/oral includes, evaluation of management approach and handling of emergencies. Candidate's skill in interpretation of common investigative data, x-rays, identification of specimens, ECG, etc. also is to be evaluated.

The examinations are to be designed with a view to ascertain whether the candidate has acquired the necessary knowledge, minimum skills alongwith clear concepts of the fundamentals which are necessary for him to carry out his professional day to day work competently. Evaluation will be carried out on an objective basis.

Question papers should preferably be of short structure/objective type.

Clinical cases/practicals shall take into account common diseases which the student is likely to come in contact in practice. Rare cases/obscure syndromes, long cases of neurology shall not be put for final examination.

During evaluation (both Internal and External) it shall be ascertained if the candidate has acquired the skills as detailed in Appendix-B

There shall be one main examination in a year and a supplementary to be held not later than 6 months after the publicaion of its results. University Examinations shall be held as under :

First Professional - In th second Semester of Phase I training, in the subjects of Anatomy, Physiology and Bio-Chemistry.

Second Professional- In the Fifth Semester of Phase II training, in the subjects of Pathology, Microbiology, Pharmacology and Frorensic Medicine.

Third Professional- Part-II (Final Professional) At the end of Phase III training in the subjects of Medicine, Surgery, Obstetrics & Gynaecology and Paediatrics.

Note :

Results of all university examinations shall be declared before the start of teaching for next semester.

20.10 DISTRIBUTION OF MARKS TO VARIOUS DISCIPLINES:

20.12 INTERNSHIP

(1) General

Internship is a phase of training wherein a graduate is expected to conduct actual practice of medical and health care and acquire skills under supervision so that he/she may become capable of functioning independently.

(2) SPECIFIC OBJECTIVES

At the end of the internship training, the student shall be able to:

- (i) Diagnose clinically common disease conditions encountered in practice and make timely decision for referral to higher level
 - (ii) Use discreetly the essential drugs, infusions, blood or its substitutes and laboratory services.
 - (iii) Manage all type of emergencies-medical, surgical obstetric neonatal and paediatric, by rendering first level care:
 - (iv) Demonstrate skills in monitoring of the National Health Programmes and schemes, oriented to provide preventive and promotive health care service to the community
 - (v) Develop leadership qualities to function effectively as a leader of the health team organised to deliver the health and family welfare service in existing socio-economic, political and cultural environment.
 - (vi) Render services to chronically sick and disabled (both physical and mental) and to communicate effectively with patient and the community.
3. Time allocation to each discipline is approximate and shall be guided more specifically by the actual experience obtained. Thus a student serving in a district or taluk hospital emergency room, may well accumulate skills in surgery, orthopaedics, medicine, Obstetrics and Gynaecology and Paediatrics during even a single night on duty. Responsible authorities from the medical college shall adjust the intern experience to maximize intern's opportunities to practice skills in patient care in rough approximation of the time allocation suggested.

Note :

For various other matters the guidelines of M.C.I. shall be considered as supplement of these ordinances.

CHAPTER XXI BACHELOR OF DENTAL SURGERY

INTRODUCTION

The degree of BDS shall be awarded to a bonafide student who has undergone a period of certified study extending over four academic years from the date of commencement of curriculum to be followed by a compulsory rotating internship extending for a period of one calendar year.

A. CURRICULUM

The aim and objective of the curriculum is work to produce a dental graduate who is socially acceptable and is able to treat effectively on patients in diagnosis, prevention and treatment of dental and oral diseases with necessary safety.

and

To ensure uniformity in clinical procedure based on standard recent theoretical background.

To produce a graduate of dental surgery who is capable of functioning effectively both under the rural and urban settings and thus emphasis is placed on fundamental aspects and common problems of health and diseases as per nation's needs.

There shall be less emphasis on didactic lectures; and major part of the learning time shall be devoted to demonstrations, group discussions, seminars, clinical work and conferences.

Frequent internal assessment tests shall be held, so that, the process of learning could be continuous one and not sporadic.

Complete records of work shall be maintained, which will form the basis for internal assessment.

Every attempt shall be made to encourage the students to participate in group discussions and seminars in order to enable them to develop expression, character and personality and other qualities essential for dental graduates to serve the community and the nation effectively.

B. ORDINANCES AND REGULATION

Admission to the four year B.D.S. course shall be through competitive examinations held by the state Govt. (Combined Pre-Medical Tests) & UPCAT. Selection of the students shall be strictly on the basis of merit, subject to prescribed Govt. regulations for reservation. All candidates desirous of seeking admission through this test

must fulfill the following conditions as laid down by Dental Council of India.

- (a) Candidate must have completed the age of 17 years at the time admission or will complete their age on 31st December of the year of admission.
- (b) Candidate must have passed the two years intermediate or equivalent course (+2) thereof, with science subjects Medical group, viz, Physics, Chemistry and Biology (Botany & Zoology) from recognized Indian Universities or Intermediate Board.

or

B.Sc. (Part I) Examination of an Indian University as laid down by the University Grants Commission (U.G.C) with one or more subjects mentioned above, if he has passed the remaining subjects of Medical Group (Physics, Chemistry & Biology) in the Intermediate examination or its equivalent one (+2)

- (c) The general candidate must have secured not less than 50% marks in aggregate in science subjects (Physics, Chemistry, Biology) and English taken together in the qualifying or competitive examinations. For SC/ST minimum marks shall be 40% in intermediate with Science subjects in aggregate.
- (d) For further details regarding admission DCI letter No. DE-1/2003/11300 dated 21st Nov 2003 shall be the part of these ordinances.

Note :- Admission in the private institutions affiliated to Dr. Rammanohar Lohia Avadh University, Faizabad shall be strictly as per direction of the Hon' Supreme Court of India.

21.2 MIGRATION AND TRANSFER OF STUDENTS.

Students studying in a recognised Dental College affiliated to Dr. Rammanohar Lohia Avadh University may be allowed to migrate or transfer to another Dental College of the same or other Universities, provided a similar curriculum is followed by those institutions. However, migration or transfer shall not be allowed in the middle of any year, and in no case before the completion of the first BDS examination.

Information of such transfer shall be sent to the Dental Council of India immediately after a N.O.C.

2. There shall be four professional examinations, one each to be held at the end of every academic year completed in one calendar year.
3. The FIRST PROFESSIONAL EXAMINATION shall be conducted at the end of the first academic year in the following subjects.
 - (i) General Human Anatomy including Embryology & Histology : Written, Oral & Practical.
 - (ii) General Human Physiology : Written, Oral & Practical
 - (iii) Bio-Chemistry : Written, Oral & Practical.
 - (iv) Dental Materials : Written, Oral & Practical

Note :- Candidates before presenting themselves for this examination shall produce evidence of

- (i) Having attended complete courses of instruction approved by the university for the above mentioned subjects.
- (ii) having completed the required practicals & demonstrations in Physiology, Biochemistry & Dental Material and prescribed dissection of human body and other demonstration in General Human Anatomy.

Attendance

The attendance in all the subjects is 75% in lecture; demonstration, practicals and 85% in clinicals.

4. The second professional examination at the end of the second year shall be conducted in the following subjects :
 - (a) General Pathology & Microbiology - Written, Oral & Practicals.
 - (b) Human Oral Anatomy including Embryology & Histology - written, oral & practicals.
 - (c) General & Dental Pharmacology & Therapeutics : Written, Oral & Practicals.

Note- Candidates before appearing in this examination must produce evidence of :

- (i) Having passed first professional examination in all subjects.
- (ii) Attendance certificates, as per norms, in the subjects prescribed for the session.

5. The THIRD PROFESSIONAL EXAMINATION at end of the third year shall be conducted in the following subjects.
 - (a) General Medicine - written, oral & practicals.
 - (b) General surgery - written, oral & practicals.

(c) Oral Pathology & Microbiology - written, oral & practical.

(d) Preventive & community Dentistry - written, oral & practicals.

Note :- Candidate before appearing in this examination must produce evidence of :

(i) having passed second professional examination in all subjects.

(ii) Attendance certificates, as per norms, in the subjects prescribed for the session.

6. The FOURTH & FINAL PROFESSIONAL EXAMINATION at the end of the fourth year shall be conducted in the following subjects :

(a) Prosthodontics including Crown Bridge - written, oral & practicals.

(b) Conservative Dentistry including Endodontics - written, oral & practicals

(c) Pedodontics - written, oral & practicals.

(d) Oral surgery & Anaesthesia - written, oral & practicals.

(e) Periodontics - written, oral & Practical.

(f) Orthodontics - wrtten, oral & practicals.

(g) Oral medicine & Radiology - written, oral & practicals.

Note :- Candidates before appearing in this examination must produce evidence of :

(i) Having passed third professional examination in all subjects.

(ii) Attendance certificates, as per norms, in the subjects prescribed for the session.

7. Compulsory Rotating Internship.

After passing B.D.S. Final Examination, every candidate will be required to undergo one year paid rotating internship in any Dental institution of the country which is recognized by the Dental Council of India. The time table and posting of internship will be done by the Principal of the institution. On successful completion of internship as certified by the Principal the Candidate shall be eligible for the award of B.D.S. degree. In the event of shortage or unsatisfactory work, the period of his internship may be suitably extended by the Principal.
