About the University

At the birth place of Lord Shri Ram and work place of intense socialist Acharya Narendra Dev and Dr. Rammanohar Lohia, a residential cum affiliating university named Avadh University was established in 1975. Later on, in 1994 the name of Dr. Rammanohar Lohia was added with the name of Avadh University and thus the present name of University emerged as Dr. Rammanohar Lohia Avadh University. It is a multifaculty university and imparts higher education in Humanities, Social Sciences, Basic Sciences, Commerce, Law Education, Pharmacy, Medical, Management, Engineering and Technology. It has 18 post graduate & graduate departments at the University campus. The University has 638 affiliated P.G. & U.G. colleges in Faizabad, Lucknow, Sultanpur, Amethi, Ambedkar Nagar, Gonda, Bahraich and Barabanki districts.

The university has strong infrastructure in terms of enriched Libraries, E-Library, Computer Centre with internet facility, well equipped laboratories, indoor sport facilities and Outdoor sports playgrounds etc. All department and offices have been provided internet facility. The faculty members are doing excellent work in academics & research. All the departments are continuously organising national/international level seminars, workshops and conferences every year.

Dr. Ambedkar Institute of Technology Bangalore, Karnataka
Dr. Ambedkar Institute of Technology

(Dr. AIT) was founded by Late Sri. M H Jayaprakash Narayan, in the year 1980 on the ideals of the great BharathaRathna Dr. B.R. Ambedkar, whose life was a saga of learning and uplifting the down trodden of the society.

Dr. AIT is grant-in-aid Institution, Government of Karnataka, Managed by Panchjanya Vidya Peetha Welfare Trust, (PVPWT) approved by AICTE, Autonomous Institution affiliated to VTU, Belagavi. The Institution offers ten undergraduate, eight postgraduate programmes of engineering, the PG Programmes MBA, MCA and MSc (Engg.) by research/Doctoral Programmes.

The institute is one of the beneficiaries of the World Bank Assistance under Technical Education Quality Improvement Programme (TEQIP III) through Government of India.

The Institute has NAAC Accreditation with Grade A, ISO 9001:2008 certification and all programmes are accredited by NBA, New Delhi

Security

Not everyone takes security seriously. It's not uncommon for people to create a social media account and never look beyond the default settings. In the same way, they'll buy a mobile device, computer, or some other equipment to access those sites and accept that it's set up in a way that best protects them. Often, the default settings provide the greatest ease of use but are also the least secure. It's never a good idea to trust someone else has your security in mind, so you should check and configure these settings yourself. Fortunately, in reading this book, you've already shown how you're willing to do that.

Social Media

Social media is the collective of online communications channels dedicated to community-based input, interaction, content-sharing and collaboration. Websites and applications dedicated to forums, microblogging, social networking, social bookmarking, social curation, and wikis are among the different types of social media.

Facebook is a popular free social networking website that allows registered users to create profiles, upload photos and video, send messages and keep in touch with friends, family and colleagues.

Twitter is a free microblogging service that allows registered members to broadcast short posts called tweets. Twitter members can broadcast tweets and follow other users' tweets by using multiple platforms and devices.

Google+ (pronounced Google plus) was Google's social networking project, designed to replicate the way people interact offline more closely than is the case in other social networking services. This website is no longer offered to new users and plans to shut down remaining accounts in 2019.

Registration Form

1. Name:
2. Institute/College
3. Branch.....Year.....
4. Address for Communication:.....
5. Pin code:.....
6. Mobile.....
7. Email:.....

Date:.....

H.O.D

Eligibility of the Participants: Faculty & UG/PG Students

And Candidates who are Research Scholars in Engineering Related subject are eligible to apply.
