Action Taken Report

The followings are the some Suggestions or Observations on Students Satisfaction Survey Feedback:

Sr.No.	Suggestions/Observations to improve the overall teaching – learning experience	Action Taken
1	Additional extracurricular activities incorporating contemporary technological trends are needed	Many workshops/Seminars/ Conferences are conducted on regular basis to address these issues
2	Recent Technological trends are required	Incorporated Value added courses in various curricula and faculty members are using recent technologies in teaching and learning
3	Enhance awareness of the job landscape and boost employability	Improvising training and placement programs to match industry trends, with expert consultation ensuring students' employability aligns with current scenarios
4	Enhance alumni interactions	To enhance Alumni Interactions we are organizing alumni meets
5	Placement cell should be strengthen	More Memorandum of Understanding (MOUs) being signed in order to collaborate with core companies, increases student participation in internships and training programs within the core domain
6	Increase Industry- Academia Interaction to the students	Organizing regular guest lectures, industry workshops, and internships. Establish mentorship programs and collaborative research projects to bridge the gap between academic knowledge and industry requirements
7	More students have requested to increased availability of books in the library related to both the syllabus and competitive exams	University has developed an online library with E-content, on which various study materials are being placed openly for the benefits of students to both the syllabus and competitive exams. The faculty

 Registrar

		Members also take classes whenever required through learning management systems such as Zoom, Google meets and Microsoft teams etc.
9	Most of the students are requested to increase in sports-related activities	To Address the demand for more sports-related activities by expanding sports programs and facilities. We have introduced a variety of sports options, organizing regular tournaments, and promote fitness and wellness initiatives
10	Inclusion of students in various necessary committee of the university	Incorporated in Board of Studies, Alumni Cell, Student Activity Club and Student Council. Further, they will be associated with more university committee
11	Conduct technical fest, quiz competition and cultural events on regular basis	University organizes National Science Day, Hackathons, and quiz competitions regularly. Additionally, cultural events named 'Srijan' are organized to celebrate Engineers' Day on September 15
12	Needs Improvements in research facility	Implemented facilities such as NPTEL, Shodh Ganga, and an E-Library to enhance academic and research activities. Furthermore, a research policy has been instituted, regularly updated for the benefit of both faculty and students
