[Charpak Lab scholarship 2021] The students enrolled in an Indian institution at the Bachelor's or Master's levels, planning to undertake a training / research project at a French laboratory or university during their academic break (May to July) are eligible to apply for the scholarship.

The scholarship is offered by the French Embassy in India for a duration of 2 months and covers the following benefits:

- Monthly stipend of 700 euros (between May and July)
- Student visa and Etudes en France fee waiver

The students must submit their application on the online scholarship portal <https://lnkd.in/e6cV-Bh>.

Deadline: 17th February 2021.

For more information, visit: <https://lnkd.in/eNivEum> or write to scholarship.france@ifindia.in
