

About the National Seminar

National Seminar on “Recent Advances in Mathematical and Computational Sciences-2023 (RAMCS-2023)” is intended to bring together faculty members, research scholars and students to exchange their state-of-art knowledge related to Mathematical and Computational Sciences and several other areas.

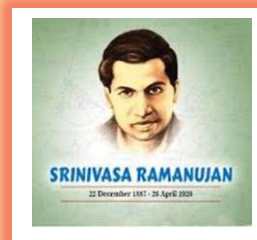

About The Department

The Department of Mathematics and Statistics came into existence in 1985 which offers postgraduate program in mathematics with specialization in Statistics and research program in mathematics and Statistics. The department caters to the needs of knowledge based education to students and seeks to develop problem solving skills within the domain of mathematical spectrum, and suggests applications to other branches of applied sciences. The department has produced more than 50 Ph.Ds. The faculty members have got published more than 350 research papers in national and international journals of high repute. Faculty members are internationally travelled including the countries such as China, Germany, Thailand, Hungary, Ethiopia, Switzerland, Romania, Germany, UK, Thailand and USA. Faculties have received several accolades and awards including Shikshak Shree of Govt. of Uttar Pradesh. About more than two dozen of students of the department have qualified JRF/NET/GATE examinations and serving in the nation and abroad as scientist, researchers and faculty. Recently, three projects have been sanctioned by U.P. Govt. under research and develop scheme to three faculty members of the department.
